POSTAL UNION

REF: STATE 66814

(U) We delivered reftel points and accompanying diplomatic note to MFA's Director of International Organizations Department Asel Utegenova on July 7. Ms. Utegenova agreed to pass our message on to the Ministry of Economy and Trade. She said the MFA could not give us an immediate response since the GOK position would have to be coordinated with other agencies. In a follow-up conversation on July 16, Ms. Utegenova said the GOK was still working on a response, but promised to update us as soon as possible.
